This small footprint printer produces wide, premium quality laminated labels at 360dpi print resolution, up to 32mm print height on 36mm tape, and features a built-in automatic cutter that trims a continuous "tape" to virtually any length, one at a time or as a strip of pre-cut labels. Brother laminated labels can withstand abrasion, fading, extreme temperatures, chemicals and moisture. Includes: PT-P900W label printer, one 1" TZeS black on white industrial tape, USB interface cable & AC power cord. (Software, drivers and templates downloaded from Brother at www.brother.com/inst) Tape Sizes: 9/64", 1/4", 3/8", 1/2", 3/4", 1" & 1 1/2" HGe/TZe Tapes Shrink Tube Sizes: 5mm, 8mm, 11mm, 17mm & 23mm HSe Shrink Tube View Product Brochure View Product Video True Windows printer Drivers by Seagull can be used with any true Windows program, including our BarTender barcode software for label design, label printing, barcode printing, RFID encoding, and card printing. Download Version: 2022.1 Size: 50.4 MB Date: 2022-03-09 Drivers with status monitoring can report printer and print job status to the Windows Spooler and other Windows applications, including BarTender. Downloaded fonts typically print faster, because they can be rendered directly by the printer. Otherwise they have to first be rasterized by Windows and output to the printer as bitmaps.
